

ALPINE WOMEN'S CENTER MEDICATION REFILL POLICY

Our goal at Alpine Women's Center is to assist patients with prescription requests in an efficient manner. In order to process your request as quickly as possible, please allow 48-72 hours for us to process your prescription request. We cannot accommodate any refills after hours, on weekends or on holidays.

Some prescriptions may not be automatically covered by your insurance and may require prior authorization. This process may take up to two weeks.

If you call to request a refill but are overdue for your annual exam and/or blood work (necessary for monitoring the safety or effectiveness of a medication), the provider may agree to call in enough medication to a local pharmacy to last until we are able to schedule an office visit (up to 4 weeks supply). It is your responsibility to schedule an appointment before you run out of medication.
